Horacio Alcolea Crespo, Jake Shore, Matt Voor

18.05 - 19.05/2024

People think it's funny but I'm not laughing
Thought you'd understand but that's not happening
Oh no, I guess this isn't what I thought it'd be
Used to think it's you but I guess it's me

Oh, and you really just don't know
Where I go, and you can't
And I don't want to know
Where you've been or you're going
And it makes me so sad
To believe all the things you said
And I don't want to believe it
What was the reason?
You don't got one
But I think you do and you just won't tell it to me

People think it's funny but I'm not laughing
Thought you'd understand but that's not happening
Oh no, I guess this isn't what I thought it'd be
Used to think it's you but I guess it's me

You see what you're doing to me
I can't believe it
You've got no reason
I'm thinking of a number from one to five
It feels so sad to be alive
Without you, in my life
I love you and you don't know how I'm feeling today
I'm bored so I'm going out to the pub

People think it's funny but I'm not laughing
Thought you'd understand but that's not happening
Oh no, I guess this isn't what I thought it'd be
Used to think it's you but I guess it's me

Nothing makes sense anymore
I don't even want to walk through the door
And I'm thinking that you'll be in my life

And if you want to leave
I won't let you
I regret you
Never forget you

The pain and frustration
That I feel
Cause you left, is unreal
And I think that I want to hurt you and myself
Cause I can't stop going out everyday
And I don't see you anyway
Even though I want to see you
I don't see you
